CAREER EXHIBITION INVITATION 2019

Asakhe Careers in partnership with Career Exhibition Information Association & Department of Education is inviting your organization to support and exhibit to another year of Career Exhibition, it has been proven to be successful over the years. Come and join us, as we change lives through knowledge and information distribution.

THE AIM

- *The aim is to expose youth, particularly high school learners to various careers and options that are open tothem.*
- *To create an information platform for young people to broaden their horizon in terms of career options and choices.*
- *Provide high school learners and Gap year students with the knowledge to choose tertiary level studies, Careers, Business opportunities, and other growth and development opportunities.*
- *Provide Institutions & Companies with a platform to showcase the opportunities they offer the youth.*
- *To facilitate a face to face interaction between your organization and the youths.*

Targeted Audience : Grade 12 Learners (more than 3000 per expo)
