CSIRO Education presents

Pre-Coital

Can science help you find your perfect mate? This show is the answer.

A unique educational cabaret show examining the science behind pheromones, prophylactics, physical attractiveness, emotions and the odds of finding a partner in the first place.

Sutherland Theatrette, National Convention Centre
May 3-6 8pm
Adult $6, Concession $4 (group bookings available)
For bookings call 6207 5901
My pick of the festival had to be *Pre-Coital: The Science of Dating*. Chris Krishna-Pillay fronted a cool musical combo and delighted the audience with his wit and charm.
