National Science Week events and activities:

DATE & TIME	VENUE & LOCATION	ACTIVITY	AUDIENCE	CONTACT DETAILS	BOOKINGS REQUIRED?
30/07/2018 To 04/08/2018 11h30- 16h00	KURUMAN MALL <i>Physical address</i> Livingstone street Kuruman, 8460 Entrance 7 & 8	Family Maths <i>Helping parents become more involved in their children's maths education</i> It has been proven that family involvement in the education of children has a great deal of benefits. In this activity, games will be used to discuss various mathematical concepts. Get the chance to see how maths is expressed in various daily activities like waking up in the morning, going to school, and going to the grocery store, counting money, and telling time.	Parents of primary school-aged children Primary-school aged children	Bernard 083 464 4004 bernard@mathsourworld.org	No The event is open to everyone

<p>30/07/2018</p> <p>08h00-11h00</p>	<p>A B KOLWANE PRIMARY</p>	<p>DENSITY DEMONSTRATION TO LEARNERS <i>Science lessons don't have to be boring</i></p> <p>With a couple of eggs and a little salt you can teach your child all about the concept of density. Science is everywhere and the ingredients for illustrating important scientific concepts are right in the kitchen for the learners every day.</p> <p>MATHEMATICS GAMES</p> <p>Lack of maths skills can have very negative effects on people, they can get robbed, get taken advantage of or make wrong decision and what can be considered silly mistakes. Basic mathematical concepts can therefore improve one's quality of life. These concepts will empower them to be able to be independent, make informed decision about different things, plan better, save better and live a better life.</p>	<p>A B KOLWANE PRIMARY SCHOOL LEARNERS</p> <p>THIS IS NOT A PUBLIC EVENT</p>	<p>JOSELINE 081 793 1750 joseline@mathsourworld.org</p> <p>INGRID 061 498 6689 ingrid@mathsourworld.org</p> <p>Keabetswe 082 733 8615 keabetswe@mathsourworld.org</p> <p>Bernard 083 464 4004 bernard@mathsourworld.org</p>	<p>No.</p> <p>This event is invite-only</p>

Science is everywhere and the ingredients for illustrating important scientific concepts are right in the kitchen for the learners every day.</p>	<p>BAITIREDI HIGH SCHOOL LEARNERS</p> <p>THIS IS NOT A PUBLIC EVENT</p>	<p>JOSELINE 081 793 1750 joseline@mathsourworld.org</p> <p>INGRID 061 498 6689 ingrid@mathsourworld.org</p> <p>Keabetswe 082 733 8615 keabetswe@mathsourworld.org</p>	

		<p>MATHEMATICS GAMES</p> <p>Lack of maths skills can have very negative effects on people, they can get robbed, get taken advantage of or make wrong decision and what can be considered silly mistakes. Basic mathematical concepts can therefore improve one's quality of life. These concepts will empower them to be able to be independent, make informed decision about different things, plan better, save better and live a better life.</p>		<p>Bernard 083 464 4004 bernard@mathsourworld.org</p>	
<p>02/08/2018 10H00-15H00</p>	<p>BANKHARA BODULONG PRIMARY</p>	<p>WOMENS DAY ACTIVITIES</p> <p>WATER CARRY-Prior to starting, fill ten paper cups of water, and place five cups on the floor at one end of the room and the other five cups on the opposite side of the room. As much as possible, the distance between the two ends should be 20 feet. Give each team a tray and explain the challenge is to retrieve all cups without spilling any water</p> <p>CIRCLE OF SILENCE- one person is chosen to stand in the middle of the circle wearing just a blind fold. The objective of the challenge is for the rest of the group to pass a selected object (such as a tin with marbles in) around the group without making any noise. The object must be passed from one person to the next as quietly as possible.</p>	<p>200 WOMEN WILL BE INVITED FOR THIS EVENT</p>	<p>JOSELINE 081 793 1750 josefine@mathsourworld.org</p> <p>INGRID 061 498 6689 ingrid@mathsourworld.org</p> <p>Keabetswe 082 733 8615 keabetswe@mathsourworld.org</p> <p>Bernard 083 464 4004 bernard@mathsourworld.org</p>	<p>No. This event is invite-only</p>

		<p>BIRTHDAY LINE UP- TEAM Participants must fall in line side by side. Ask them to rearrange their line in order of their birthdays (month and day only). The challenge is for the group members to not talk at all. They can resort to using sign language and other techniques to determine each other's birthday</p>
