National Science Week events and activities:

DATE & TIME	VENUE	LOCATION	ACTIVITY	AUDIENCE	CONTACT DETAILS	BOOKINGS REQUIRED?
1 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Quizzes and Crossword puzzles to be completed on facts about Climate change	High School & FET learners, Educators, General Public	Senele Goba 082 593 2828	No
1 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Demo on Electric Circuits and implementation of 4IR Technologies	High School & FET learners, Educators, General Public	Senele Goba 082 593 2828	No
1 August 2019 9am – 10:30am	Umzinto	Braemer Circuit	Talks from professionals about climate change and its impact on their careers. Highlights on Science career options and how they can be pursued to mitigate the impact of climate change	High School & FET learners, Educators, General Public	Senele Goba 082 593 2828	No
1 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Introducing the concept of Computer Science, programming, Application thereof in society and careers in the field of Computer Science	High School & FET learners, Educators, General Public	Senele Goba 082 593 2828	No

1 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	This session is the demonstration of application of science in the latest technologies, i.e. drone technology This is also a demonstration of the concept of 3D printing and its application in real life – things that can be done with 3D printers and models that can be built	High School & FET learners, Educators, General Public	Senele Goba 082 593 2828	No
2 August 2019; 11am – 1pm	Umzinto	Braemer Circuit	Learners showcase their creativity with waste as they exhibit items that they have created, using recyclable waste material.	Primary School learners, Educators, General Public	Senele Goba 082 593 2828	No
2 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Quizzes and Crossword puzzles to be completed on facts about Climate change	Primary School learners, Educators, General Public	Senele Goba 082 593 2828	No
2 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Demo on Electric Circuits and implementation of 4IR Technologies Primary School learners, Educators, General Public	Primary School learners, Educators, General Public	Senele Goba 082 593 2828	No
2 August 2019; 8am – 1pm	Umzinto	Braemer Circuit	Introducing the concept of Computer Science, programming, Application thereof in society and careers in the field of Computer Science	Primary School learners, Educators, General Public	Senele Goba 082 593 2828	No
